Sub: Online filing of Contribution Report, Audited Annual Accounts and Election Expenditure Statements by Political Parties.

Ref: Your Letter No.505/Meeting/IT Module/PPEMS/2022 dated 30th June, 2023.

Dear sir,

Please refer to your letter regarding online filing of Contribution Report, Audited Annual Accounts and Election Expenditure Statements by Political Parties with the twin objectives of facilitating political parties to overcome the difficulties in physical filing of reports and secondly, to ensure timely filing of financial statements in the prescribed / standardized formats.

In this regard we would like to submit that Indian National Congress is a national party having presence in every State and Union Territory of India. Party needs to call for information from the states to prepare consolidated statement of the party, which takes a lot of time to get details / information in the prescribed format. Party offices in many States & Union Territory do not have proper infrastructure to support the online filing of Reports, Financials and Election Expenditure Statements. Before implementation of online filing, we have to guide / educate the persons at various levels in the organization i.e in the state offices regarding online filing of Reports, Financials and Election Expenditure Statements, then only we can implement Online filing of various documents / reports.

We are of the view that without proper infrastructure at all offices of the party in all States and Union Territory and technical persons, we will not able to implement online filing of the various documents and also to submit that in our opinion online filing only will not able to fulfil the twin objectives i.e difficulties in physical filing and to ensure timely filing of the reports as mentioned in the letter. So far, we don't have any problem in the physical filing of the various reports.

We have observed that in IT Modules for online submission of the financial statements developed by ECI, various fields have been marked compulsory field to upload the financial documents / reports and even if one field in one report is not available then we will not be able to upload the entire report.

In view of above we would like to continue with the physical filing of various reports.

Thanking You,

Yours sincerely

(Pawan Kumar Bansal)
